Recommendation for Keith Bryant

My name is Brittney Shipp, weekend meteorologist at NBC 10 in Philadelphia. I am writing this letter on behalf of our weather intern, Keith Bryant.

I have known Keith for only a short time but have quickly recognized his incredible work ethic. Keith is one of the hardest workers I have encountered. When he wants to learn a new graphic or weather design, he works relentlessly until he masters it. This is an invaluable quality to have on your side.

During his internship at NBC 10 in Philadelphia, Keith always took any task we asked of him seriously and completed everything with enthusiasm. He went above and beyond his duties as a weather intern and worked so hard we looked at him as more of a team member.

Keith does not allow his circumstances to stop him from achieving his goal. You should know, during this winter internship, he caught the bus in rain, sleet and snow to make sure he was here on time ready to contribute and help the First Alert team tell the daily weather story.

I believe Keith will have a bright future in broadcast meteorology and hope we will be able to work together again one day.

Please contact me if you have any additional questions regarding my recommendation.

Thank you for your time.
